⁻Total Operating Income does not include Fire Impact Fees.

⁻Grants include funds recieved from SDA and DOLA for Covid related expenses and reimbursement of the Firefighter Heart Benefit.

⁻In response to the ongoing pandemic the Board offered the City of Evans a one-time forgiveness of the second quarter IGA payment.

⁻Miscellaneous Revenue includes sale of 2401, training fees paid by other districts, and donations.

In early fall it became apparent that expenses were far below budget due to changes during the pandemic. Program Managers were asked to determine if there were any one-time projects that could be completed by year-end. As such, several individual line items are showing over-spending, however, the total expenditures for the year are far below budget.
